Comrades All, In advance of the 75th Anniversary of D-Day and the Battle of Normandy this June, I am hoping to populate a list of ANAVETS Members that served in that battle. If you could please provide me with any names and contact info of Veteran members in your Units or Commands that served in this battle it would be greatly appreciated.

Additionally, if there are any members who have family members that served in the Battle of Normandy I would also appreciate having such a listing, and what the connection is to ensure that we have contact info either for local or regional commemorations, interviews or potentially overseas events as we celebrate this milestone in our Canadian military history.

I would appreciate having this information sent in prior to 28 February, 2019. Thanks in advance

Shoulder to Shoulder,

Deanna Fimrite
